FORK GAITER KIT

Article - SOUFFL100RE

Factory ref - 1990405

Color - Black

Compatability - ● Interceptor, ● Continental GT

Give your motorcycle a retro look. Designed specifically for the Interceptor and Continental GT, fork gaiters protect the fork stanchions from stones and debris.

COMPACT ENGINE GUARD

Article - PAREC100P1SI

Factory ref - 1990406

Color - Stainless steel

Compatibility - ● **Interceptor**, ● **Continental GT**

Add a layer of protection to key engine areas without compromising on style or ground clearance. The compact engine guard is made from 25mm stainless steel tube. This guard will resist corrosion even if scratched. It has a discrete Royal Enfield branding on the upright. Also available in powder-coated black.

LARGE ENGINE GUARD

Article - PAREC200P1SI

Factory ref - 1990407

Color - Stainless steel

Compatibility - ● **Interceptor**, ● **Continental GT**

Get full protection without compromise. The large engine guard is designed for an optimum balance of protection and style. Made with 25mm stainless steel tube, this guard will resist corrosion even if scratched. It comes with discrete Royal Enfield branding on the top bars. Also available in powder-coated black.

COMPACT ENGINE GUARD

Article - PAREC100P1BL

Factory ref - 1990408

Color - Black

Compatibility - ● **Interceptor**, ● **Continental GT**

Add a layer of protection to key engine areas without compromising on style or ground clearance. The compact engine guard is made from 25mm mild steel tube with dual coating for corrosion resistance. It has a discrete Royal Enfield branding on the upright. Also available in polished stainless steel.

LARGE ENGINE GUARD

Article - PAREC200P1BL

Factory ref - 1990427

Color - Black

Compatability - ● **Interceptor**, ● **Continental GT**

Get full protection without compromise. The large engine guard is designed for an optimum balance of protection and style. Made with 25mm mild steel tube, it comes with dual coating for corrosion resistance and discrete Royal Enfield branding on the top bars. Also available in polished stainless steel.

SHORT FLYSCREEN KIT

Article - BULLE100P1C

Factory ref - 1990413

Color - Tinted

Compatability - ● **Interceptor**, ● **Continental GT**

Add to that retro style with the short flyscreen. A dark tinted screen with stainless steel embellisher adds a layer of wind protection when you ride.

TALL FLYSCREEN KIT

Article - BULLE100P1H

Factory ref - 1990414

Color - Tinted

Compatability - ● **Interceptor**, ● **Continental GT**

Speed through the wind with the tall flyscreen adding a level of wind protection when you ride. It comes with a stainless-steel branded embellisher.
